## Gadgets

**10 You open 1 heart and partner responds 1 no trump. What two things is he telling you and only two things?**

I have between 6 and 12 high card points.  
I do not have four spades.

**20 Playing Jacoby Two No Trump you bid one spade and partner bids two no trump. What three things is he telling you? Be specific and accurate.**

I have at least four trumps.  
I have at least game going values.  
I have no singleton or void.

**30 Using Bergen Raises what does the three club bid tell you after you open 1 heart.**

I have four trumps.  
I have between seven and nine distributional points.

**40 You open 1 heart and partner bids four diamonds. What does the four diamond bid tell you?**

I have a singleton or void in diamonds.  
I have game going values.  
I have four trumps.  
I have some interest in slam

**50 You open one heart and partner bids four hearts. Name two things he is trying to tell you? What name did we give this bid in class?**

He has at least five trumps.  
He has a weak hand with a maximum of seven high card points  
The "Weak Freak".

## Inverted Minors

**10 You open one club and partner bids three clubs. What three things is he telling you?**

He has a very weak hand with a maximum of nine points.

He has five clubs.

He does not have a four card major.

**20 Your partner bids one club. You bid two clubs and partner alerts. What should you have?**

Ten plus points

Five or more clubs usually

Usually no four card major.

**30 Your partner opens one club and you bid two clubs. Now your partner bids 2 no trump. What does that bid tell you.**

He has the major suits stopped and often have the other minor suit stopped. (Note – most often due to the bidding the odds are that diamonds will be stopped ).

**40 You open the bidding one club and partner bids two no trump. What three things does that bid tell you?**

Partner has 11 to 12 points.

He has no singleton or void.

He has no four card major.

**50 You open the bidding one diamond and partner bids two clubs. What does that bid tell you? Is it forcing to game?**

He has no four card major or a strong hand with five clubs and four of a major.

He has at least ten points.

Generally forcing to game.

## Analyses

- 10 Partner opens the bidding one spade and you bid one no trump forcing. Partner rebids two spades. What two things should we count on for our partner?**

He has at least six spades  
He has a minimum opening hand

- 20 We open 1 heart and partner bids 3 hearts. What can we count on our partner having?**

Partner has at least four hearts.  
Partner has invitational values

- 30 We open 1 spade and partner bids 1 no trump. We continue by bidding 2 clubs and partner bids 2 hearts. What can we count on partner having and what should we do?**

Partner has six hearts  
Partner has a weak hand.  
Partner does not have support for your suits.  
We should almost always pass.

- 40 We open one heart, partner bids 1 no trump, we bid two diamonds and partner bids three hearts. What two things can we expect partner to have?**

Partner has three hearts  
Partner has invitational values

- 50 We bid one spade and our opponent follows with a bid of 2 diamonds. Partner then bids 4 diamonds. What three things should partner have?**

Partner should have a singleton or void in diamonds  
Partner should have spade support  
Partner has at least a game going hand.
